NUESTRA HISTORIA

NEMESIO CIORDIA ALVAREZ

Nació en Espronceda 24-6-1925, donde vivió, hasta que se traslado con sus padres y hermanos a Renteria en 1940.

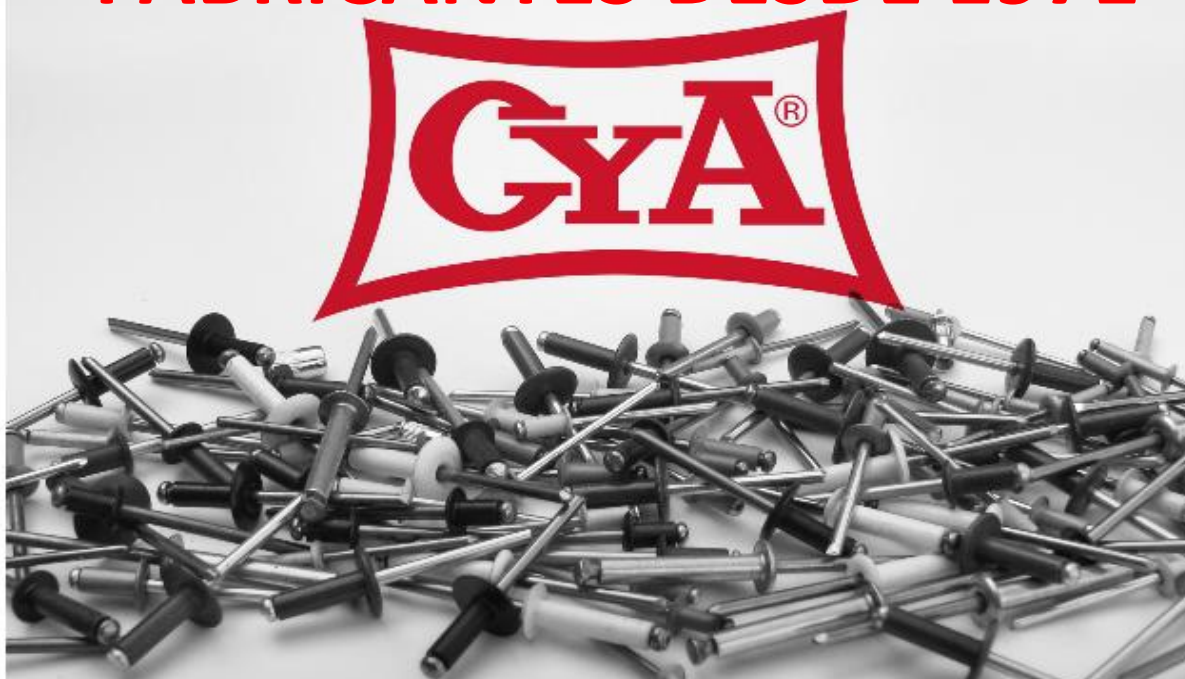

Con estudios básicos (los que había en esa época), comienza a trabajar, como ayudante en una tornillería, destaca rápidamente.

Junto a su gran inteligencia y su capacidad para el trabajo (ilusión, dedicación y un enorme tesón), amplía su formación (después de la jornada de trabajo de 10 horas) se desplazaba diariamente a Éibar a estudiar mecánica, matemáticas y dibujo, se formo un extraordinario mecánico de tornillería, lo disputaban todas las tornillerías de la zona.

Durante su vida profesional le llegaron ofertas de trabajo de empresas importantes, pero su ilusión era tener su propia empresa.
